

# Sew Stylish

## How to Look Like a Million in the Clothes You Wear

A program for people who sew (professionally or casually) or any woman who wants to look her best!

Presented by Noted Image Consultant and Author

**Nancy Nix-Rice (nancynixrice.com)**

In this information-packed session you'll learn:

- How "points of connection" make any woman look and feel beautiful
- How to identify her personal key neutral (clue: it's probably NOT black)
- How to classify her coloring as warm or cool & or something in between.
- Accent colors that make her look glowing and healthy.
- 8 strategies to appear 10 pounds thinner without losing an ounce.
- Undercover secrets to strip away years and pounds.
- Fine points of fit to make her clothes look more expensive.
- How to balance her facial shape to an ideal oval.
- 4 body classification and key styles to flatter each unique figure type.
- Solutions to banish the 8 common figure challenges
- The (almost) universal secret to looking instantly taller, thinner and more proportional.

Your registration also includes a light breakfast, full lunch, and beverages throughout the day!
